FROM THE COACH

Thanks to everyone that has come down tonight to see us take on Sherbrooke in a Qualifying Final. This is the first season Western Port women's youth team has made a final since entering the competition 8 years ago and I couldn't be prouder of their efforts this season.

Tonight's match looks to be a tough one with Sherbrooke coming off a great win against Sunbury last week. After 17 rounds coaching this group it has been amazing to see how far they have come as a team. We have been working hard together having a mix of new, existing and junior players to develop a culture where players are willing to do anything to benefit the team.

After a mid season review we pin pointed some weaknesses to work on and reflected on our strengths to maintain which carried us to finish strongly and ending up sitting 1st on the ladder for the regular season.

Now that the regular season has finished, our quest for the championship has commenced tonight. Winning tonight's game will send us straight through to the grand final in a fortnight's time where a loss gives us a second chance next week. Nothing good comes easy, we know what is required and we will only give our best.

Thank you for our support,
GO STEELERS!

Glenn Wansbrough
